Purpose:

- The role of the Young Endo Committee is to raise awareness and address the various challenges and opportunities related to developing an early successful clinical and research practice in the field of endourology and minimally invasive surgery through networking and collaboration across our international society membership.

Committee Members:

The committee will consist of two Co-Chair (One from NA and one international) as well as 3 additional members. Co-Chairs and committee members should be within 10 years of practice and a member of the Endourology Society in good standing. The Secretary General and Director of Education will serve as ex officio members.

Objective/ Responsibilities:

- Committee members are responsible for recommending individuals to serve on the Fellowship, Social Media, Website and Research Committees.
- The Committee will provide guidance to the Society with regards to programming relevant to young endourologists for the annual WCET and related meeting.
- The committee reports to the Executive Committee and the Board of Directors.
- The committee members are responsible to organize a “Young Endo Luncheon” at AUA annual meeting and a “Young Endourology Luncheon” and “FRIENDS” Session at the WCET annual meeting. Topics that this committee will address include transition to clinical practice, optimizing research and grantsmanship, mentorship, leadership, service, small business development and patent application amongst others.
- The Committee Chairs are responsible for providing a report to the Board of Directors biannually (or when needed).

Committee Meetings:

- The Young Endourology Committee will meet at the discretion of the committee Co-Chairs.
