**REGISTER TODAY**

FTS registration is now open. Join FTS for a dynamic and insightful meeting. The program kicks off Thursday afternoon with a hands-on course. The course is designed to provide practical knowledge and skills that attendees can immediately apply in their work, and to help them navigate the complex and evolving use of focal therapies.

Whether you are experienced in focal therapy or a newcomer to the field, this meeting and hands on course offers an unparalleled opportunity to learn from and connect with experts on focal therapy. Learn about the latest developments in the field, connect with colleagues and collaborators, and exchange ideas in a stimulating and supportive environment.

Register now to secure your spot and join us for this exciting and informative event. Visit the 2023 FTS registration site for complete details and registration information.
